A product of African craftsmen (Benin)

African double bell for sale - Medium-sized gankogui

The deepest-sounding gankogui, with a wide acoustic range!

The gankogui is a double bell which gives the main beat to all the dancers and musicians in Beninese music.

Its rhythm frames the different sections played by the drums which accompany it.

Our gankogui are crafted by Beninese craftsmen using traditional skills and local materials.
